Registration Page

A smartphone mockup showing a registration page. The page has a blue background and contains several white input fields and a registration button. At the top, there is a status bar with a signal icon, a battery icon, and the time 9:01. Below the status bar, the page title "COP 4331 Group 7 Large Project" and the subtitle "Welcome to KnightRate" are displayed. The main content area features the KnightRate logo, which includes a stylized knight's head and the text "KnightRate Logo" and "KnightRate". Below the logo is the word "REGISTER" in bold. There are six input fields: "First Name Input", "Last Name Input", "Email Input", "Username Input", "Password Input", and "Confirm Password Input". At the bottom of the input fields is a button labeled "Register -> Home Page". Below the button is a link: "Already have an account? Click [here -> Login Page](#) to Login".

Professor Rating Questions

Overall, how would you rate this professor?

Select a Rating

How clearly did the professor explain the material?

Select a Rating

How available was the professor outside of class?

Select a Rating

How fairly did the professor grade assignments?

Select a Rating

Would you recommend this professor to others?

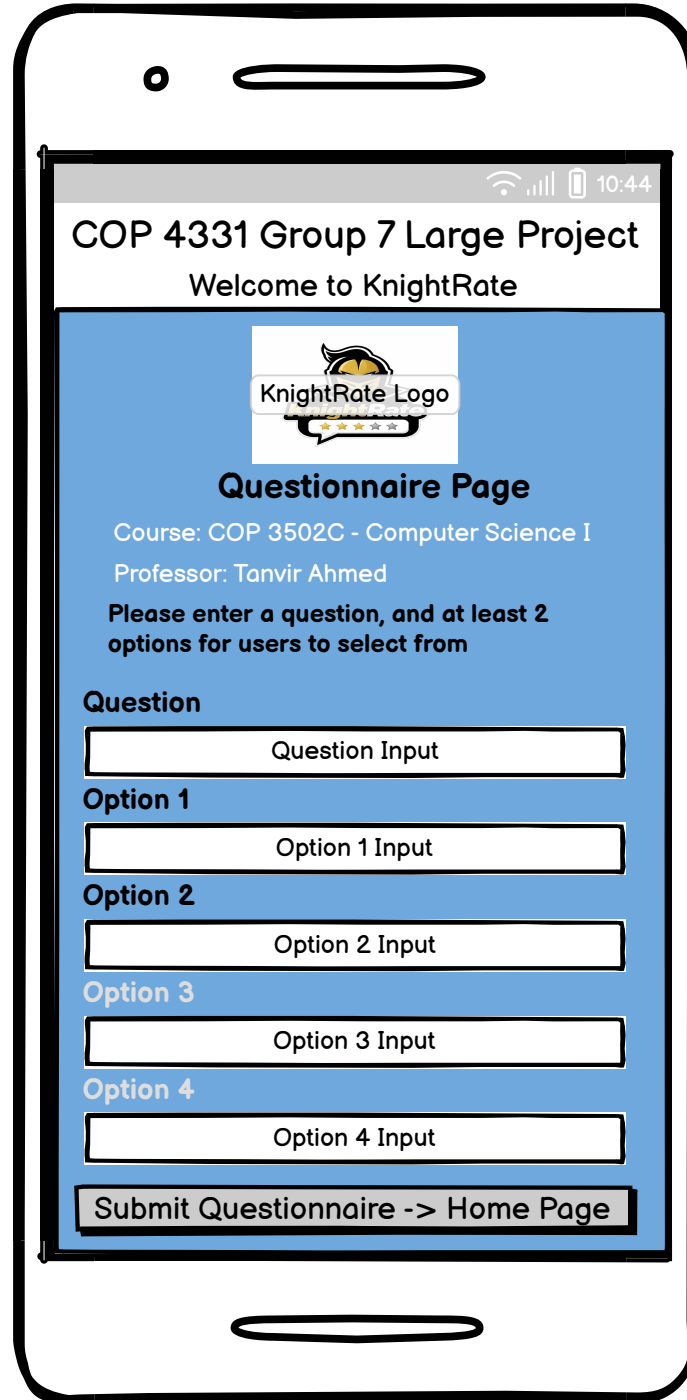

Select a Rating

Submit Rating -> Home Page

If no professor was selected from the home page or the user deselects the checkbox above:

- This section will disappear
- No professor will be listed in the header bar

Create Questionnaire Page

A smartphone mockup displaying the KnightRate Questionnaire Page. The screen shows a header with the course name and a welcome message, followed by the KnightRate logo. The main content area is blue and contains the course name, professor name, and instructions. Below this are input fields for a question and four options, each with a label and an input box. A submit button is at the bottom.
